

Prison Fellowship Canada
Serving Life

MAY PRAYER CALENDAR

1 Praise Report!

Praise the Lord for the opening that has come at Edmonton Max on account of God's goodness! Truly nothing is impossible with you, Lord. Bless the work that is accomplished though the dedication of our volunteers there.

2 TPJ - The Prisoner's Journey

We pray for every detail and aspect involved in ministering this program. May the Lord give us wisdom to navigate any difficulties that arise, and strengthen us to stand firm or press forward as He leads and causes much fruit to abound through it.

3 Angel Tree Children

We pray for the preparation of hearts for the many children that will have the opportunity to go to camp this year through Angel Tree. May the Lord meet each and every one of them in a personal way, and may their time be filled with joy and peace.

4 Mission: Cape Breton

We ask the Lord to give our Atlantic Rep, Jonathan English, favour in his introductions to various leaders in the Cape Breton Leadership Breakfast. We pray for God-appointed connections and the open door to effective ministry.

5 Peaceful End-of-Weeks

It has been reported that prison violence is usually escalated during the weekends. We pray for a supernatural change in this statistic. May the powerful presence of the Prince of Peace flood our prisons and may the weekends be known for a time of reflection, revelation and healing instead.

6 Wisdom & Guidance in Service

We ask God for wisdom from above for all of our Canadian Chaplains and our In-Prison Volunteers in the work they do. We ask for a divine shifting in the minds and hearts of Christian servants serving across Canada to know the joyful Spirit-born disposition of praising in the deserts and wilderness.

7 Deep Inner Healing

Because the variables of true restoration can only be fully understood and accomplished by God, we pray for supernatural healing experiences for prisoners that bring deep inner healing and transformation in their lives.

8 Malachi Dad's

We want to lift up the recent opportunities we received to run the second part of the Malachi Dad's program in Prisons in Eastern Ontario. May God establish these men as men of the Word, and fill them with the life of God to live for Jesus Christ!

9 Inspired Writers

We pray for the volunteers who dedicate their time to the Pen Pal Program. We ask for continued inspiration when writing to inmates; for personal encouragement and testimonies to share from their own lives, and lasting bonds that develop through this form of written correspondence.

10 From East to West

We pray that all across our nation, God will raise up donors in support of the work we do to allow for the appointment of regional representatives in every province across Canada. We also pray for the current reach that God has given to us; that we would exercise wisdom in our stewardship.

11 Unity & Love; Oneness

We pray that God continues to work powerfully through the fellowship of the saints who serve in this ministry to unite and love one another with sincere love, so that in this way they might make known the glorious mystery of our triune God who is One.

12 Courage to Connect

We ask for a powerful anointing upon Jonathan as he speaks at the Alliance Churches in Truro, NS today! Overflow the leaders there with your Spirit Lord, and let your dynamic power explode like dynamite in a dynamic call to action!

13 Healing & Restoration

We lift up one of our ministry partners and brothers in Christ, James Darrow, who has recently had some medical complications and ask the Lord for a mighty powerful healing and restoration, both for him, and for his family members who are also facing the challenges of walking through this season. Bless them, we pray.

14 We Will Not Lose Heart!

Lord, it is our desire to be faithful and at the end of our lives hear you say to us, "Well done!" Fill us with a desire to see your Name glorified in all the earth; that souls would come to know you and be filled and made whole. Thank you for going before us and standing behind. We give you the praise.

15 Caught or Taught?

Since more things are 'caught' than 'taught', we pray that the influence of our volunteers in every respective ministry with prisoners will shine brightly with the life of Christ. May much fruit abound bringing glory to the God who saved us!

16 Forgive Us Our Debtors

We continue to pray for a spirit of reconciliation to permeate our Canadian prisons through forgiveness. Forgiveness for those whom we have offended; forgiveness for those who have offended us, and most important to our spiritual health - the forgiving of ourselves where we have fallen short.

17 Raise Up Reformers!

We thank God for Robert Clark's very candid testimony in his recent book "Down Inside." We pray that God will cause it to reach far and wide across Canada; even into the hands of lawmakers lending insight to transformative justice in prisons.

18 Our Only Defence

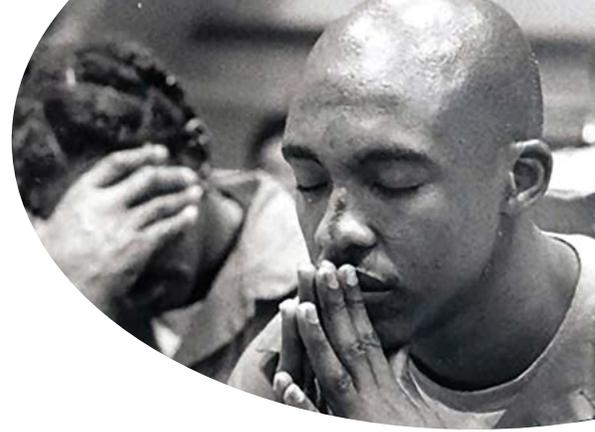

We pray that the powerful protecting hand of God will rest over our staff, volunteers, supporters, prayer partners, and donors, as we continue to press forward to usher in the Kingdom of Heaven in prisons across Canada.

19 Kingdom of Heaven, Come!

As we continue to pray for spiritual and judicial reforms across our nation, we ask that God would go before us and prepare the way; putting the right people in place, and the right circumstances in order, and the right perspectives in our minds to truly make us ambassadors for change.

20 Bless Our Regional Staff

We ask for a special blessing for all of our Regional Representatives in the work they do across Canada and we pray for constant encouragement, revelation, inspiration, and leading of the Holy Spirit in all their daily endeavours for the Kingdom of God. Cause them to be fruitful in the places where you have placed them, Lord.

21 Born Again

We ask that the fruit of the vision that our Prison Fellowship founder, Chuck Colson, desired to see - that incarcerated men and women would come to know the Lord Jesus - would be made manifest in every prison across Canada. Open their hearts to receive you Lord!

22 A Door Where There Was None

We ask Lord Jesus that you would place open doors and windows where there were none, to allow for Prison Fellowship to further its reach in prisons where we have not been able to effectively establish work yet. May this be the year of breakthrough in those places.

23 Guard Our Volunteers

Those who serve the King, will draw the enemies to His Majesty. So we ask that you will protect them from the evil one, and give them wisdom in every step. Guard their hearts and minds from the devices of Satan, and lead them in paths of peace.

24 All Will Be Made Straight

We ask the Lord to search out our ministry and begin to put in place that which stands out of order. Make the crooked paths straight and remove hindrances to allow for your blessings to overtake us, Lord!

25 Peace In The Prairies

We lift up our National Volunteer Coordinator, Maria Hadzis, as she facilitates PFC Orientation and Training calls for the Prairie regions. We pray that our volunteers will be of one spirit with the mission and vision of Prison Fellowship and be stirred up to forward the work in these regions.

26 Camp Connections

We pray that many Christian Camps will come forward to partner with PFC Angel Tree to allow many children the opportunity to go to camp this summer. We pray that not one child who applies will miss out on this truly blessed opportunity of going to summer camp!

27 Favour & Fellowship

We pray that God will grant our National and Regional staff favour with churches and individuals whose hearts are deeply moved for Canadian prisoners. We pray for God-honouring partnerships that will reflect the heart of God while we persevere in undertaking the work of ministry.

28 Let No Weapon Forged...

We pray that there would be a release of every blessing in the spiritual realm for our volunteers, representatives, staff, donors, and affiliates. We pray for greater unity; deeper spiritual revelation; and love made manifest through service.

29 Divine Opportunities

We pray that there were be a supernatural move in this country to create more job opportunities for returning citizens. We also ask for inspiration by the Spirit of God that is met with opportunities for returning citizens to become entrepreneurs who create these very openings for one another.

30 Lots of Love

We pray that God will open the hearts of our staff, volunteers, supporters, prisoners and their families - to all take a moment today and consider the great expression of love that is seen at the cross of Jesus Christ, and know this day in a uniquely intimate way, that we are loved.

31 Smooth Flow

The beginning of new months and season can bring about unexpected changes for those who serve in ministry, but also for those whom we serve. We pray for a spirit of boldness to press forward into the changes each season brings, and we ask for wisdom to navigate it well.

**Continue steadfastly in prayer,
being watchful in it
with thanksgiving.**
