PFC at Atlantic Canada's largest Mission Conference

Jesus to the Nations Mission Conference in Halifax was a great weekend of sharing the ministry of PFC with individuals from around the Maritimes. Several of our PFC volunteers manned the table and shared their own personal stories of working with this ministry and the impact it has brought to them personally as well as to the inmates with whom they work. We made many new connections and I am excited about the desire that people have to share the truth of the gospel with inmates, ex-offenders, their families and victims who are impacted by the effects of crime and incarceration.

Angel Tree Camping provides children and caregivers a week of respite by giving them a chance to spend time at a Christian summercamp. We delight in the children being able to experience the love of Jesus through caring leaders and positive peers, and a chance to dream of something different.

The average cost to send a child to camp ranges from \$200 to \$300, depending on the area of the camp across Canada.

Please *join us* in giving children an opportunity to participate in a life changing experience this summer! Donate to the Angel Tree Camping Fund online. www.prisonfellowship.ca
