

## 1 Angel Tree Camps!

We pray for a new year filled with fruitful partnerships with local Canadian Christian camps, and we pray that every child - no matter where they reside - gets the opportunity to physically attend a week of day or overnight camp. May the Lord show us favour with Christian camp partners.

## 2 Angel Tree Camping Applications

We pray that prisoners all across Canada will have the opportunity to participate in the Angel Tree Camping program this year. We pray that You will go before us and provide support to local Chaplains to facilitate the application process for as many as possible!

## 3 Angel Tree Camping Support

We pray that the Lord will raise up financial support that exceeds our expectations for this program year. We pray that the full cost for every child to attend camp will be completely covered, as well as the administrative costs to facilitate the program. May we see the radical generosity of God breaking the program barriers at the seams and allowing for it to grow in wonderful new ways.

## 4 Volunteer Engagement

We pray for all the national needs of the PFC by Phone line volunteers; for Bridgcare volunteer teams, and for In-Prison volunteer teams to facilitate curriculum. May every opportunity that the Lord opens to us this year be preceded by an abundant overflow of volunteer onboarding in those regions.

## 5 Expedient Clearances

As volunteers continue to make their way through the onboarding process to serve in an In-Prison setting, we pray that the Spirit of the Lord will go before them and show them favour in finding expedient clearances to support their swift placement. We pray that the open doors that are set before us remain open to those who they were destined for.

## 6 Facility Support

Often prisons are locked down due to short staffing issues and a variety of other issues. We pray that the Lord would find supernatural solutions to these problems as they arise so that prisons can remain open to volunteer efforts to facilitate programs in an In-Prison setting.

## 7 Staff Wellness

We lift up our dutiful national staff and pray that all throughout the year, we all get the rest and time for restoration that each one of us uniquely needs. Though these times of refreshment might look different, we pray that the Lord would lead each one of us to sense those times and to be intentional about surrendering ourselves to them.

## 8 Angel Tree Coordinators

We pray that this year many volunteers with a coordinator gifting will step forward as the main contact between Prison Fellowship Canada and their local church to take on the role of coordinating Angel Tree sponsorships to those interested in participating. We pray that we will see thousands of churches across Canada take ownership of the Angel Tree program this year.

## 9 Development Project

We pray that the Lord would give us a mind attentive to the work before us. May the data flow easily to us, and the Spirit give us the knowledge, insight, wisdom and boldness to walk into this new season with a strong understanding. We pray that no detail will be missed and the grace of the Lord will abound to us at every point of need throughout the development.

## 10 Volunteers at Edmonton Max

We pray that the Spirit of the Lord would place a burden on the hearts of local Albertans who reside near Edmonton Max Institution, who would rise up and answer the call to serve prisoners in an In-Prison context. We pray that the Lord would place an open door of effective ministry before them that no one can shut.

## 11 Word of Knowledge

We pray that all PFC volunteers would just naturally overflow with words of knowledge that abound through their everyday speech that reach deeply into the hearts of prisoners and ex-prisoners and bring freedom, healing, and restoration of every kind. We pray for the mutual edification of everyone involved in these connections.

## 12 Spiritual Gifts

We pray that the Holy Spirit would release fire and boldness among PFC volunteers that empower them to serve in the power of the Spirit. May the Lord pour out insight into the obstacles that exist and give divine strategies for His healing power to flow through volunteers to prisoners and ex-prisoners through this ministry.

### 13 Worry Not

As we continue to pursue the vision that the Lord has given us for this ministry, we pray that the Lord would go before us and provide for every need that might rise up. We declare answers to every problem before it even arises. And we declare abundance over every need before we ever feel our lack.

### 14 I'm Doing A New Thing

We stand with the Lord in agreement that this will be a season where the Lord does a new thing. May we have eyes that see, ears that hear, and a heart to perceive what the Lord is doing. We pray that many will come to know Him through the way He leads us.

### 15 A Revelation of Jesus!

Many good seeds have been planted year after year through the dedicated volunteers who serve through this ministry. We pray that a moment of clarity would fall on everyone who has had the opportunity to have a seed of God's Word sewn into their hearts over the years. May the Spirit of the Lord make Christ known to all.

### 16 PFC by Phone

We lift up every caller who calls the line, and we pray that the Lord would give every volunteer who serves on the line just the right words to share each week that leads callers to find answers to their own prayers and questions. We pray that many prisoners' hearts would be opened to calling and the phone lines would have a good reputation among the prisoner population.

### 17 Bridgecare Employers

We lift up the very crucial need for business owners and entrepreneurs from the local church to rise up and take on the responsibility to aid and support their returning brothers and sisters through their reintegration journey by offering them a powerful pillar of support: employment.

### 18 Prospective Clients

We pray that whether through word of mouth; through a holy leading by the Spirit; through a random searching for online resources, or through all the many other ways that we have not even begun to think of, returning citizens would find their way to PFC's Bridgecare program and find the support they need for success.

### 19 Chaplaincy & Parole

We lift up the many brothers, sisters, and partners who serve in a chaplaincy or parole/probation role across Canada, who work so studiously in supporting prisoners, ex-prisoners and their families, and we pray that our partnership together will continually grow deeper. May the Lord knit us together in this work and create streams that cause our paths to converge into one.

### 20 Marketing Needs

We continue to pray for fresh, appealing, robust creativity for our dedicated one-woman marketing team, Sally Doss! May the Lord give her continual joy in her work. May she find a fresh anointing each morning of heavenly creativity that perfectly fits every need, and may the presence of the Lord give her shalom peace.

### 21 Partner Engagement Manager

We thank the Lord for our brother, David Lombardo, and the gift that the Lord has bestowed upon Him to support the work of this ministry. We pray that the Spirit will lead David in the way he should go at every step and give him continual favour as He teaches him the profound mysteries of partnership.

### 22 Filling the Gaps

The Lord already knows our needs before we ask, yet we continue to pray that He will go before us and lead the right people in at the right time to come aboard. We pray the Lord will raise up finances to support taking on regional managers in the Atlantic, Prairies, and wherever He is about to move powerfully!

### 23 Walking The Good Path

With the release of our newest Bible-based curriculum, Walking the Good Path, we pray that the favour of the Lord will go before us to create clear paths for many institutions to begin running it. Raise up even an advocate for us at the highest levels of government, Lord, who will see the restorative power of this curriculum and make a way for it to reach many.

### 24 The Forgiveness Journey

We lift up the prisoners and ex-prisoners all across Canada who are participating in the journey of forgiveness, and we pray that the Lord is softening their hearts to hear His voice clearly. We pray for the healing that accompanies forgiveness, and we pray that it will sweep over prisoners like a powerful wave leading to freedom.

### 25 The Re-Entry Journey

We thank the Lord for those who commit themselves to participate each week in learning practical steps to aid them in reintegration. We pray the Lord would meet their commitment with blessing upon blessing. May there be open doors of employment. May there be access to affordable housing. May there be connections to a healthy community.

### 26 CEO, Stacey Campbell

We continue to ask the Lord to be a shield and a defence 'round about every step that Stacey takes in her path. May the Lord find unique ways to encourage her, to affirm her, and to give her rest. May the Spirit provide precision in every revelation that gives her boldness in her leading.

### 27 Dreams & Visions

We continue to ask the Lord to reach prisoners where we cannot reach them. Through the powerful revelation that comes through dreams and visions, we pray that prisoners in every isolated space would find a sense of fellowship with Jesus through the touches of His grace and love expressed through dreams and visions.

### 28 The Calling To Service

We pray that as volunteers move from curiosity to engagement that the Holy Spirit will find special ways to affirm them in their calling. May they hear the call through the radio, or something that they read, or something that they stumble upon. But may they also find many confirmations that immediately follow.

### 29 Prayer Warriors

We pray that the Lord would raise up many dedicated prayer partners who will faithfully stand in the gap for the ministry, for the staff, for the volunteers, for the needs, against the barriers, for the openings, for the resources, and for the prisoner, ex-prisoner, and their families. Raise up for us, the faithful in prayer.

### 30 Church Partners

May the Lord continue to compel and inspire the local Christian church community of the great need that we all should be a part of in serving the marginalized. May the calling to prison ministry soon become the mission of every local church in some capacity. May the church have eyes to see Jesus in the prisoner.

### 31 Angel Tree Camping Program

We pray that the Lord would grow the Angel Tree Camping program this year so that we can see many children of prisoners not only connect to healthy communities but would have a unique opportunity to learn about Jesus! May the Lord draw near those who are far. May no child miss out on camp.
