

1 Ontario Regional Manager

We thank the Lord for intersecting the paths of our new Ontario Regional Manager, Philip Benjamin. May the Lord bestow upon him a Spirit of excellence to accomplish everything that He has called and set him apart to do. May the hand of the Lord rest firmly upon him and give him peace, always.

2 Bridgecare Clients

We pray that the Spirit would seek out all of those individuals, both incarcerated and recently released, who would greatly benefit from the support of the Bridgecare program resources for employment readiness training and skills development and lead them to our ministry.

3 Bridgecare Partners

We pray that the Lord would raise up advocates through the local church who are willing to provide employment opportunities to returning citizens with a criminal record. We pray that this will be a year for business owner believers all across Canada to walk out the call to discipleship through employment.

4 Bless The Little Children

We lift up the Angel Tree children, who will begin attending camps throughout the summer. May the grace and acceptance of God be deeply rooted through their camp experience, and may it carry along with them for all the rest of their lives.

5 Camp Partnerships

We thank God for those selfless camp partners who continue to make spaces available for the children of prisoners to attend camp. We pray that their every need will also be met by our great and awesome God. May the Lord repay them a hundredfold for their kindness.

6 In-Prison Access

We stand against every spiritual hindrance that seeks to hinder the continued facilitation of our in-prison curriculum and pray that the Lord of Heaven's Armies will continue to lead us in triumph over every discouragement, doubt, and fear as we seek to take the Gospel to prisoners.

7 In-Prison Program Spots

We lift up Canadian prisons and pray that as correctional staff are impacted by the transformation of Jesus in the lives of prisoners, more programming spots will be made available to us to continue to further our reach into institutions across Canada. May the Lord remove every obstacle.

8 In-Prison Volunteers

We pray that in every city where a Federal, Provincial or Youth Centre is, the local churches that surround them will be moved by the Holy Spirit to get involved through PFC. We pray these mature, wise, prudent, sacrificial servants of the Lord will find their way to serving prisoners, ex-prisoners, and their families through PFC.

9 PFC by Phone Calls

We pray that the Spirit of the Lord would anoint each volunteer with just the right words for every scenario that volunteers encounter on the phone lines so that prisoners can come to hear the word that brings freedom, healing, deliverance and the word of truth!

10 PFC by Phone Timeslot Needs

We pray that every outstanding spot where there is a need for a volunteer would be so abundantly filled with not only primary contacts but backups as well. We pray that those looking for an affirmation and sign will receive a clear, concise, and undeniable word from the Lord to encourage them in moving forward.

11 PFC Orientation

We thank the Lord for continuing to gradually grow the ministry by making us known in the hearts and minds of local churches across Canada. We pray that each and every one finds a fruitful place to serve and bears much fruit that brings glory to the Lord in every way.

12 PFC by Phone Training

We lift up our PFC by Phone training happening this month and ask the Lord to pour out an abundance of His Spirit, the Spirit of the Lord; the Spirit of wisdom, the Spirit of understanding, the Spirit of counsel, the Spirit of strength, the Spirit of knowledge; the Spirit of the fear of the Lord.

13 TFJ Curriculum Training

We thank the Lord for drawing near those who have a heart for facilitating a Bible-based curriculum in an in-prison setting. We pray that the Lord would go before them, walk beside them, guard 'round about and behind them, and fill each one with boldness like a lion to tread upon snakes and scorpions in taking the Gospel to prisoners.

14 Angel Tree Prisoner Families

We pray that the experience of sending their child to camp will be restorative for prisoners, their families, and their communities in meaningful ways that deeply touch the hearts of everyone involved. May the Spirit of the Lord continually work behind the scenes to bring everyone into a stronger sense of community.

15 Dreams & Visions

We thank the Lord for the numerous testimonies we've recently heard of prisoners who have encountered healing, restoration, deliverance, exhortation, and direction through dreams and visions. We pray that the Lord will continue to find them where they are and speak to each one in personal ways that they would understand and receive.

16 Restorative Cultures

We pray that all across Canada, there would be a greater investment from all levels of government to embrace Biblical restorative justice practices in the developing concept of how prisons serve to restore prisoners to community.

17 Curriculum Development

We pray for the Holy Spirit to inspire and lead us as we develop the subjects that the Lord wants us to speak into prisoner lives about as we work to develop the finer details of our outstanding projects. May the Lord give us clarity when we write to communicate all He has in His heart to say.

18 Staff Development

We pray that with every passing day, every one of our staff members will find a deeper sense of calling and purpose for why they were brought to be a part of this particular ministry at this point in time and space. We pray for each staff member and pray that God continues to build them up into the people He called and created them to be.

19 Serving Together

We lift up all of our volunteer teams across Canada—whether serving in-prison or in-community. May the Lord bring together perfect pairs for partners that help sharpen one another in the perfect ways needed. Fill their hearts with unwavering zeal to accomplish all that You give them to do.

20 Cloudstack Services

We recently encountered a development setback with our partnership with Cloudstack, and we want to pray for God's richest blessings over them as an organization. May the Lord bestow favour, give opportunity for continued growth, and protect them from the snares of the evil one. May Your goodness shine upon them, Lord.

21 Brightmark Team

We lift up the diligent work of our development partners over at Brightmark and pray that the Lord will continue to give them wisdom and insight into the difficult work that they do. May He etch out special times of rest and restoration. May each member of their team experience joy and peace in their inner lives.

22 Bridgecare Clients in QC

We lift up the Bridgecare program in Quebec and ask the Lord to begin powerfully drawing in clients from every corner of Quebec - whether released or soon to be released - to find support, resources, and spiritual friendship through PFC's Bridgecare program.

23 God Of The Details

We pray that in every way, God would find ways to draw our attention to the things we overlook or do not readily notice daily. May every day of service also be filled with special encounters with God through getting glimpses into the detailed ways that He considers our every way in His thoughts toward us.

24 Fan The Spirit's Flames

We pray that stagnant fires will begin rising up once again with new vigour; that those barely smouldering will find renewed sources of fuel; and for those who are burning bright to continually find breathing room and space to grow larger than before. May the fire of the Holy Spirit fall on us!

25 Coordinating Efforts

We pray that the Lord will help us have a mind that can receive His direction and a will bold enough to act as the Lord directs us as a team to collaborate together more effectively. As you wheat out the old, Lord, and usher in the new, help us to navigate change.

26 Angel Tree Program Growth

We pray for more Spirit-led ideas for connecting families of prisoners to communities as we seek to build out the Angel Tree program's reach in a greater way to those we serve. Give us insight, Lord. Give us confirmation. Provide every resource needed and make a way.

27 The Heart of the Father

As we develop our Prodigal Son curriculum, we ask the Lord to bring forth courageous men who are ready and willing to show forth the heart of our heavenly Father as they facilitate our newest curriculum to incarcerated men and women across Canada.

28 Fundraising Needs

We pray that the Lord will stir up the areas across Canada that are lacking financial support so that every goal will be so overwhelmingly met and the future of the ministry work secured for years to come! We ask the Lord to establish us in key regions across Canada in ways that are immovable that only He can do.

29 Design Development

We continue to ask the Lord to inspire perfectly fitting marketing pieces through our marketing manager that will touch the lives of those who encounter it, and powerfully communicate the essence of transformation and all that the Lord is doing in the lives of prisoners.

30 Extended Favor

We pray that as an organization, we will see greater favour arise towards our staff, volunteers, those we serve, and our partnering organizations, which shines forth as a testimony in and of itself, that the True and Living God walks with us!

31 Rest Well

We pray that after doing all that we set out to do and accomplish, that our entire team will grow wiser in the ways that we impart rest into our lives and pursue our own restoration from this work. Give to each one, according to their need this year, Lord, and may we find rest for our souls.

This is the confidence we have in approaching God: that if we ask anything according to his will, he hears us.
