

## 1 Mental Health Day 1

We lift up those volunteers participating in the Mental Health First Aid training today and pray that these valuable skills for determining and addressing a mental health crisis will be well utilized in serving prisoners, ex-prisoners, and their families.

## 2 Mental Health Day 2

We continue to intercede for the volunteers participating in the Mental Health First Aid training once again and pray that the scenarios brought forward would help each one in attendance in finding a new language and understanding for articulating their own struggles, as well as for understanding the struggles of those around them.

## 3 Celebrate Recovery

We thank the Lord for our ministry partners, Celebrate Recovery, and their great work in helping individuals understand themselves in a greater way in light of the truth of who we are in Christ. We pray for a fruitful day for us both as we share alongside them about Angel Tree. Cause our voice to echo the hallways long after we're gone, Lord.

## 4 Rest In Him

We thank the Lord for the beautiful days of summer, the timely seasons for rest and vacations, and the enthusiasm and passion He gives us for the lost. We pray that all throughout the summer, our staff, volunteers, partners, and supporters, are given wisdom by the Spirit to strike the right balance of enjoying all these things.

## 5 Regional Developments

We lift up our regional key deliverables strategies and targets and pray that the Lord would provide the inspiration in setting them year to year, but also the favour and blessing to reach them. We pray the Lord would give each regional manager a vision for the things to come and to find encouragement along the way in seeking to make a way where there was none.

## 6 Team Encouragement

There are so many obstacles to serving in a ministry so heavily opposed by spiritual forces as well as human perceptions of change. We ask the Lord to create person-specific encouragements for every member of our national team, as well as our volunteers, so that our hearts may find a continual fountain of encouragement for this path He has called us to.

## 7 In-Prison Breakthroughs

We lift up the women at Vanier, and the good work the Spirit has etched out for PFC in this place. We pray that every woman who comes into contact with one of our volunteers there would feel the presence of the Holy Spirit and come a step closer with each encounter to the Kingdom of God.

## 8 Supporter Blessings

We take a moment to remember all of our financial supporters, past and present, and their family needs; even those we are unaware of. May the 'Lord who sees' all things find special ways to return the blessing of their faithfulness to this ministry through answered prayers for these families, answers to problems that abound in life, and provision and grace for all their needs.

## 9 Development Project

We continue to entrust ourselves and our project into the hands of the Lord and pray that the Spirit will give us wisdom at every step to develop the most supportive final product for users. We pray that God's blessing so rests upon every detail that we are continually pleasantly surprised by all that we come to experience in using it and the hidden gems of surprises built-in with added benefits. We believe in the goodness of God!

## 10 Atlantic Developments

We thank the Lord for the children of prisoners served through our Angel Tree Christmas and Camping programs. We pray that the Lord continues to inspire many of His people to continue to see the needs and answer the call to serve prisoners, ex-prisoners, and their families, in the Atlantic, in even greater ways.

## 11 Angel Tree Camping

We thank the Lord for the many children off to camp this week. We pray that each one is joyfully met with an encouraging start that carries along right throughout the week. May the Spirit impact each heart in personal ways that carry along with them for the rest of their lives.

## 12 Angel Tree Caregivers

We thank the Lord for the loving support of caregivers to prisoners. We pray that these sacrificial moms and dads, aunts, uncles, grandparents and friends would all find abundant provisions for all of their needs, community support to carry their burdens, and rest for their souls in Christ after doing all that they have done.

### 13 Bridgecare Supports

We sought the Lord, and He answered us in a greater way than we imagined through this wonderful resource for Skills Development for returning citizens. We pray that the clients of our Mentorship program find encouragement on the path to wholeness and holiness through this additional support.

### 14 Divine Connections

In order for the Bridgecare program to be successful, there are so many moving pieces that need to come together in a way that only God can do. We pray that the Lord goes before us in every step, making clear to us the path along the way to support returning citizens in the way most conducive to their success.

### 15 PFC by Phone Volunteers

We ask the Lord to turn His face toward our needs in the open spaces in need of volunteers to serve on the PFC by Phone lines and raise up volunteers sufficient to fill every last spot. We pray that no caller will call the PFC by Phone lines and not be met with the spiritual support of a dedicated volunteer.

### 16 PFC by Phone Callers

We lift up prisoners all across Canada who call and find support on the PFC by Phone lines. We pray that every good seed planted will continually find water and sun as it grows up into a fruit-bearing tree. May the Lord protect the seed from the snares of the enemy that abound in every way.

### 17 Cornerstone Church

We thank the Lord for the faithful hands and feet of Jesus through Cornerstone Church, who are preparing to serve prisoners as we share the various ways of getting involved at this morning's Orientation. May the Spirit of the Lord remove all fears of serving prisoners, ex-prisoners and their families and go before us to give access to those who are interested in getting involved.

### 18 Established Support

We lift up our financial needs as an organization and ask the Lord to go before us to provide substantial support to help us establish ongoing development in the regions that lack it. We ask the Lord to 'do something new,' as only He is perfectly powerful.

### 19 Powerful Imagery & Writing

We continue to pray for powerful and effective marketing strategies that help us to deliver a clear picture of who we are as a ministry and what we stand for that welcomes the local church into the bountiful harvest of serving prisoners, ex-prisoners, and their families.

### 20 Leadership Anointing

We continue to pray for the leaders of this ministry, from the volunteers who diligently lead Bible studies week after week, to those who meet to encourage Bridgecare clients, to those serving on the PFC by Phone line, to those working studiously at their role in administration. We pray that the Holy Spirit will increase our understanding, broaden our perspectives, and cause us to grow as a restorative community shining forth the light of the Lord.

### 21 Prisoner Preachers

We pray for those set-apart men and women who God is walking through the refining fires of prison right now, who are called to be the voices to this next generation. May the Lord's hand rest firmly upon them, protecting them, giving clarity, insight, and boldness by the power of the Spirit to speak forth the Word of Truth in love.

### 22 Chaplain Support

We continue to bless the role of Chaplains across Canada who serve alongside us, seeing the fruit of this restorative work first-hand, and pray for God's continued blessing over our working relationships. May we continue to hold fast to serving prisoners, united in our labours to value and best support their spiritual growth.

### 23 The Forgiveness Journey

We thank the Lord for the open doors to facilitate this newly revised powerful curriculum that now includes video testimonials. We pray that the program will continue to bear much fruit in prisoner discussions, in answering the longings of many hearts, and that prisoners will find solace in Jesus.

### 24 Second Mile

We thank the Lord for partnerships that share the same heart and Spirit for restoring our communities by tackling the tough issues surrounding crime from a biblical lens for restoration. We pray that the Lord will draw many to hear what the Lord is doing and feel compelled towards action.

### 25 Church Engagement

We pray that the Spirit will inspire many new partners to seek and find Prison Fellowship Canada as a connection to meaningful missions in the year ahead. We pray for those partners, even before they come that the Lord will begin directing the ship towards His heart for prisoners and giving local churches - especially those near to prisons - a heart for the cause.

### 26 Great Reception

We pray over all of our annual campaigns to raise awareness of the breadth of the work that we do at Prison Fellowship Canada and ask the Lord to open many hearts to receive it with open arms. May the faith of our volunteers, supporters, and partners be greatly encouraged in their participation in facilitating freedom and restoration for many.

### 27 Development Objectives

May the Holy Spirit provide wisdom and grace for our developers to roll out our development project with precision, as well as for our staff to navigate the administrative changes with ease. May the Lord lift up our understanding and support us in every way necessary in learning how to do the administrative aspects of the ministry in powerful new ways that support constant growth.

### 28 The Snares That Come

As only the Sovereign God knows all things that come to attack believers, local ministries, and those in a spiritual battle for salvation unaware, we pray that the Spirit of the Lord would go before us preparing strategies for us to sidestep every harm, to lead us in pathways of safety, and to secure each soul and each calling for His divine purpose.

### 29 Igniting A Spark

We lift up every representative of Prison Fellowship Canada who serves in the ministry in any capacity and ask the Lord to stir up within each one a constant, unrelenting, perfectly contained passion within for the labour we're called to. Give us a vision for the divine purposes for which we are here, and inspire in us a face like flint, as Jesus had in pursuing his mission on Earth.

### 30 Angel Tree Campers

We pray that every need is provided for these little ones to make it to camp this year. We pray that their experience will be memorable in the best ways ever. We pray against childish divisiveness, but instead, ask that the Holy presence of the Lord will work to unite children together at camp in finding real friendship, real acceptance, and thus, a true loving community of heaven on Earth.

**This is the confidence we have in approaching God: that if we ask anything according to his will, he hears us.**

1 John 5:14 NIV
