

JANUARY 2022 PRAYER CALENDAR

1 Happy New Year!

We pray that the incomparable riches of His grace expressed in His kindness to us in Christ Jesus might be made known with resounding wonders in the heavens and signs on the Earth below through the work of Prison Fellowship Canada in this new year!

2 Renewal's Embrace

We pray that the significant symbol that starts every new year as we return from Christmas vacation of 'serving out of rest' would deeply transform every staff member, volunteer, and prisoner as we live and breathe and serve each other in Christ.

3 Angel Tree Sponsorships

We pray for our Angel Tree families and sponsors and the gift of connection that this powerful program avails to both prisoners and their families, and to families to their communities. We pray that strong bonds are formed and long-term bonds are strengthened.

4 Bridging the Gap

We lift up the men and women in Prison Fellowship Canada's Bridgecare program. We pray for resources to meet every need, mature volunteer teams that bestow the gift of a healthy community to these returning citizens, and for wisdom to facilitate the complex program needs.

5 Wisdom and Grace

We lift up all of our volunteers across Canada and pray for the impartation of heavenly wisdom in whatever situations may arise this year, both in their personal lives as well as in ministry to prisoners. We ask the Holy Spirit to soften our hearts to His often unconventional leading, and to see the fruit of grace overflowing every place where we go.

6 Prayer For The PF By Phone Program

We pray for continued open hearts of prisoners to the lines, and for a stirring up of callers where we have not been receiving many. May the obstacles to prisoners learning about the line be removed, and may the program find its way into places where the need is greatest.

7 Bridgecare Connections

We continue to pray for mature, Spirit filled volunteers who are knowledgeable and experienced with mental health and addictions counselling. May the Lord send forth those who will help us to meet returning citizens where they are, and find mutual edification as together we walk into the seasons ahead.

8 Just Like You, Lord!

We lift up our wise and passionate chief executive, Stacey Campbell, and cover her in prayers asking for the Spirit's impartation to continue to use her to lead, to cultivate, to uproot, to pull down, to plant and to see the fruition of, everything the Lord has intended for PFC through her. We pray for her continued encouragement in the Lord to live out the full breadth of her calling.

9 Shirley Buchanan, Director of Regions

We thank the Lord for Shirley and the aptitude for precision that she brings to the ministry. Like a well-sharpened arrow in the hand of the Lord, may He continue to direct her in every direction that He intends to effect change, and use her powerfully to carry out her responsibilities with grace and truth.

10 Ashan Jayasinghe, Intern

We lift up our Intern, Ashan Jayasinghe, and thank the Lord for the dutiful, responsible, and ethical fellow labourer He has blessed the ministry with through his coming to PFC. May the Lord continue to uncover all of the promise that He has for his life, and continue to build him up into the overflowing vessel of His grace that he was called and created to be.

11 Stuart Tisdale, BC & Northern

We continue to intercede for the work being forwarded through our brother Stuart. May the Lord show him continued favour in every place where he goes. May he find favour with local churches, favour within institutions, favour with supporters, and favour with local resources to meet every need that arises in those regions entrusted to his management.

12 Tara Hilman, Executive Administrator to the CEO

We lift up Tara and pray for continued joy and peace to surround her in every labour for the Lord. We pray that both her personal and professional life will be met with a very tangible sense of the Lord's presence, leading, encouraging, confirming, and emboldening her to act.

13 Regional Support, Alberta

We lift up Brenda Hilling asking that the love of God and the goodness of God would continue to shine brilliantly through her life as she engages local volunteers, sponsors, donors, and chaplains. May her passion for serving prisoners be tangibly felt and stirs the hearts of those to whom she speaks, everywhere she goes.

14 Regional Manager, SK & MB

We lift up the diligent and studious work of efforts of Elizabeth Greer and pray that amidst all of her labours to forward the work in these two regions, the Lord would etch out special times for intimate encounters with Himself where she can find refreshing, renewal, and rest.

15 Regional Manager, Eastern Ontario

We thank the Lord for Robert "Bob" Logan and the blessing he is everywhere that he goes as a witness to the Gospel and a testimony of the Lord's grace. We pray that this year, both in his personal and professional pursuits, he will continue to experience new and profound depths of the love of God that leave him awestruck and exalting in worship.

16 Regional Manager, Quebec

We thank the Lord for the joyful, youthful Spirit that Lorraine Dubois brings to the PFC family. We pray for a year of continual encouragement and joy in ministry. We ask for favour and open doors, for answered prayer and community connections to both churches and institutions across Quebec.

17 Cynthia d'Entremont, Atlantic Regional Manager

We welcome the newest member of the PFC family, Cynthia d'Entremont, to the team! We cover her in prayers and ask the Lord to fulfill every purpose for which He has called her forward at a time like this. We ask for the Holy Spirit to fill and overflow her life with wisdom, grace, truth, and love for the ministry to prisoners.

18 Lori Knappe, Regional Support

We thank the Lord for the gift of Lori to the PFC team. Even though she serves as regional support, we pray that she too would receive all the necessary support she requires both in her personal and professional life. We entreat the Lord that no good thing would He withhold from His faithful servants.

19 Office & Programs Manager, Raymond Mowla

We pray for the continued cultivation and preparation of Raymond's life. We pray that the Lord would continually overflow His life with the very present presence of His Holy Spirit, using him to witness to everyone everywhere he goes through the parable of his life, music, and ministry.

20 PFC In-Prison Ministry

We pray that this year we will begin to see a fuller return to in-prison ministry programs all across Canada. May the Spirit of the Lord go before us and open every door, shatter the spiritually symbolic 'iron bars' that seek to keep men and women from a knowledge of the truth, and make a way for prisoners to experience His powerful transformation.

21 Board of Directors

We thank the Lord for the gift of the faithful stewards He has blessed PFC with through the members of our board. We pray for God's protection over the lives of both each member and their families, and we pray that they will continue to serve PFC in oneness of Spirit with joy and sincere hearts.

22 Order of Operations

We pray that amidst the numerous tasks that can easily overwhelm day to day, that instead, the Holy Spirit would order our days and order our steps to clearly sense what we need to prioritize and when so that we can work effectively and efficiently. We pray for an openness to trust in His leading in our work even when it doesn't make sense.

23 Dunamis Power!

We pray for a release of gifts and talents among PFC volunteers so that they may serve in the fullness of their calling, fully knowing and walking in their identity in Christ. We pray that they would be encouraged through wise pastoral leadership in their private lives and exercise a powerful transformative witness in their public lives.

24 Reception

Sometimes we can have all the right information, but are just unsure of how to connect it all together. We pray for the Holy Spirits' restoration of 'soundness of mind' for prisoners as they learn about their new identities. We pray that they will have a willingness to receive the Word and to understand it deeply so they can put it into practice.

25 Dreams and Visions

We have heard countless testimonies of how the Holy Spirit has been enlivening prisoners' spirits through dreams and visions. We pray that the Lord would continue this deeply restorative work, while also giving clarity and understanding to properly interpret the symbols and meaning.

26 Marketing Ministry

We cover Sally Doss in prayer as we seek the Lord's precision for her in designing powerful letters, print materials, and social media campaigns. May the creative Spirit of the Lord continue to stir her imagination while He overflows her with exacting power to effectively communicate the work of the ministry.

27 Melissa Tabet, ATX Coordinator

As we bid farewell to our sister, colleague, and friend, Melissa Tabet, we cover her in prayers and ask the Lord to continue to cultivate her life and witness so that many would come to know Him through her. We pray that every plan and purpose He has destined for her will come to fruition at the appropriate time.

28 Rhubarb & Other Partners

We thank the Lord for the gift of such blessed work relationships and ask the Lord to continue to use both PFC and all of our partner organizations to be a blessing to one another throughout the year. May the angels of the Lord surround and protect these work relationships and cause them to flourish in new ways, bearing new fruit over time.

29 Restored Identities

We pray that every seed of God's Word planted into the hearts of prisoners, ex-prisoners, and their families over the course of the past year, will find watering, a cutting away of branches that bear no fruit, and cultivation of those branches that do bear fruit so that they may continue to do so in abundance.

30 Supporting Growth

With a new year comes a new vision, and a new vision means new growth. We surrender our needs to the Lord and ask for a generous and abundant outpouring of financial support that completely provides for every need we have as a ministry to support long-term growth across the country and to expand our current efforts in the places where we have established foundations.

31 Tax Receipt Preparations

We lift up our faithful accountant, David Saynor, and ask the Lord to give him clarity of thought and unity of mind and heart as he labours to prepare 2021 tax receipts for those faithful supporters of the ministry to prisoners.
