

## NOVEMBER 2020 PRAYER CALENDAR

### 1 Angel Tree Christmas

We thank the Lord Jesus for the gift of connection and pray that the Holy Spirit will make a way for this gift to powerfully impact everyone who participates in our Angel Tree Christmas program. From incarcerated parents, to caregivers, to children, to church, may a lasting connection be made through this program.

### 2 Prison Fellowship by Phone

We thank the Lord for every prisoner who reaches out through our new phone program. May the Lord continue to give wisdom to the PFC volunteers answering the calls to effectively minister a word of hope to the prisoners, and may the Lord expand the borders of the program.

### 3 Angel Tree Christmas Mailer

We pray that our recent Angel Tree mailer that arrived in the hands of our financial partners over the past few days will be met with overwhelming support as we continue to bless families with the gift of connection at a time when all of us across Canada are feeling the importance of it.

### 4 Bridgecare Teams

We pray that many more Bridgecare volunteers will step forward to meet the growing needs of our Bridgecare program. We pray for protection, resources, and supernatural wisdom for all of our teams to tackle the multifaceted issues of reintegration together.

### 5 Rise Up From Within

We pray for believers who are currently incarcerated who have been affected by the lack of Christian programming and support. We pray that the Lord will fill them with the wisdom of His Word and that He will stir them to rise up in positive ways to be salt and light to those around them.

### 6 Angel Tree Sponsors

We pray that in every way, our every need to facilitate the Angel Tree Christmas program across Canada will be met in abundance, and that we will be lacking nothing in terms of sponsors across the country to meet the need to see that no application goes unfulfilled this Christmas.

### 7 Clear Bill of Health

We lift up the recent discoveries of Covid-19 in some prisons across Canada and ask the Lord to preserve those who have not yet had the opportunity to know of the glorious Gospel that saves! May there be testimonies of supernatural healing that reaches to the correctional staff who serve, as well as prisoners

### 8 Brad Bootsma

We lift up our brother in Christ Brad Bootsma as he assesses the opportunities in Prince Edward Island for PFC, and begins building relationships with local churches and community partners. We pray the Lord's richest blessings would abound to him in opportunity and favour, in protection and guidance, in encouragement and a sense of purpose. Lord, pour out your Holy Spirit to overflow in the life of Brad!

### 9 Return to In-Prison Service Across Canada

We continue to pray for supernatural strategies that give opportunity for volunteers to serve prisoners across Canada in an in-prison setting. We thank the Lord for the doors that have slowly begun to open and pray that the Lord would keep those who have courageously stepped forward in perfect peace

### 10 Angel Tree Christmas Applicants

We lift up the men and women who have had the opportunity to participate in our Angel Tree Christmas program. We pray that they would be deeply blessed by the connections made with their children. We pray the same for their children - that they would be blessed by the greatest gift of connection.

### 11 Bridgecare Resources

We pray that every unique case that arises for each of our Bridgecare clients would be met with supernatural provision to meet their every need. May doors be opened that cannot be closed. May the generosity of churches abound to the need of former prisoners.

### 12 PF By Phone Volunteers

We pray that the Lord will continue to bring forward volunteers with the particular time availability that we need to facilitate every opportunity for prisoners to access the phone line. We pray that each one will be uniquely prepared as a minister of reconciliation to each and every caller.

### 13 Technical Developments

We pray for the continued development of our staff technology systems. May the Lord grant us the wisdom to understand our needs with greater clarity, and the resources to develop more efficient systems for utilizing all that we have available to us.

### 14 Angel Tree Matchups

We ask for wisdom for our Regional staff across the country as they work to make effective Angel Tree sponsor matchups. Especially with the unique difficulties that Covid presents to delivering gifts, we pray for encouragement for our sponsors, and supernatural strategies for fulfilling these sponsorships.

### 15 Bridgecare Callers

We pray for continued connection through our Bridgecare Line, and that more prisoners would become aware of its availability to them. May the Lord draw those seeking spiritual growth alongside their reintegration to find the first step of community through the Bridgecare line.

### 16 Guard Our Hearts

We lift up our staff and volunteers, and just as the Lord promises to keep in perfect peace those whose minds are stayed upon Him (Isaiah 26:3), we pray the Lord would keep our minds and hearts continually attentive to His leading. May this be a year marked with greater growth in our individual journeys.

### 17 Unity and Community

We lift up local churches across Canada, and pray for deeply supportive partnerships with our fellow brothers and sisters in Christ. We pray that our commitment to our organizational mission grows stronger as we work together to empower churches to live out the Great Commission to the marginalized community of prisoners and their families.

### 18 In-Prison Program Videos

We lift up our program video projects and pray for direction and guidance each step of the way as we seek to accompany our curriculum with powerful videos that encourage our participants towards transformation, and moves us as an organization forward in keeping with the advancements of our day.

### 19 The Songs of Freedom

We pray that the incarcerated men and women across Canada will have more opportunities to learn of the power of praise and that prisoners will have more opportunities to worship in prisons and to find inner strength to fortify them for their journeys.

### 20 Holy Fire Fall!

We pray, just as the power of the presence of God fell upon Paul in prison and opened opportunities for him to share the Gospel with his jailer, that the Lord would inspire supernatural perspectives in prisoners about their situation, and help them to find eternal purpose despite incarceration.

### 21 Connection

Through reconciliation between offenders and their victims, parents and their children, or prisoners with God, we pray that all that we do at Prison Fellowship Canada would be marked by the way we cultivate meaningful connections and community.

### 22 Joy-Filled Service

We pray that the Spirit of joy will overflow to our volunteers in their graceful service to the King of kings. May the Lord fill each heart with a song, and may the triumph of the Lamb encourage us all forward until the day of His coming.

### 23 Leadership Covering

We continue to cover the leadership and staff of Prison Fellowship Canada in prayer and ask the Lord to guard the minds and hearts of our CEO and Board members. We pray for strong administrative unity of Spirit, and agreement in decision and policy making.

### 24 Encouragement

We pray for all of our staff, volunteers, and financial partners, that the Lord would find special and unique ways to encourage us forward as we continue to press in to take hold of everything He has for us as a ministry, as well as in our individual journeys.

### 25 Employment Services

We pray for fruitful employment connections for former prisoners that offer training and opportunities to find meaningful work. We also pray that more employers step forward who are willing to give opportunities to men and women who may have criminal records but demonstrate an aptitude for success.

### 26 Continued Reform

We pray that the Lord will raise up leaders from every level of government who share in PFC's restorative justice vision, and who stand with us to make these alternatives to the current rehabilitation system possible in institutions across Canada.

### 27 Breakthrough from Addiction

We pray that the men and women battling with addiction will find supernatural breakthroughs this month. May all that has been continually poured into their lives erupt in powerful manifestations of freedom and meaningful connection!

### 28 Forwarding Favours

We thank the Lord for the presence that Lori brings to Prison Fellowship Canada and pray for a greater anointing to follow her in all her labours. May the sweet smelling aroma of our Lord be found permeating from her life always.

### 29 Housing Solutions

We pray for safe and affordable housing solutions for former prisoners across Canada. We also pray that these options will nurture the faith of these men and women, and help them to find stability and freedom from fear.

### 30 Last Call for Sponsors

As we head into the final weeks of our Angel Tree Christmas program, we pray that wherever we may be lacking to complete this year successfully will be met with the timely provision of the Lord. Whether sponsors, financial supporters, or volunteers to assist with final wrappings, may the program end just as strongly as it began!
